

We bridge the gap between your global EHS standards and Korean regulatory requirements.

 **EHS Audit & Compliance**

- ISO 45001/14001 system setup
• internal audit
- Global HQ/Client EHS Audit execution & response
- Korean regulatory compliance review & gap analysis
- Legal Register development & maintenance

 **Supply Chain EHS Management**

- Avetta · ISNetworld · PSCI platform response
- Contractor safety management (Bridge CSMS™)
- Qualification – Monitoring – Improvement Full Cycle management
- OEM / Principal contractor EHS assessment

 **Korean Regulatory Execution**

- SAPA · Occupational Safety & Health Act compliance
- High-risk work management (LOTO · Fall hazard · PTW · Confined Space etc.)
- KRAS+JSA integrated risk assessment setup

What We Do

Tailored EHS solutions for your Korean operations.

HSE Compliance Review

Compliance Review

- Korean law × Global standards (ISO 45001/14001) × Client requirements — 3-axis gap analysis
- Legal Register development · Remediation roadmap

EHS Audit Execution & Response

Audit Execution & Response

- On-site EHS Audit on behalf of global HQs
- Avetta · ISNetworld · Sedex audit response
- Mock Audit · Fast-Track remediation

EHS Document Architecture

Document Architecture

- Industry-specific EHS management system design
- 50+ verified templates
- Meeting both Korean law and global standards · One-System

Practical Training & Coaching

Training & Capability Building

- ISO 45001 hands-on training · High-risk work procedures
- (LOTO · CSEP · PTW · Hot Work)
- Audit-ready capability coaching for local staff

Supply Chain EHS Governance

Supply Chain EHS Governance

- Bridge CSMS™ contractor management system
- Full-cycle: qualification → contract → evaluation
- Risk tiering · Periodic monitoring

Korea Entity EHS Setup

Foreign-Invested Entity Support

- Localizing global HQ policies to Korean regulations
- Building site-level execution systems from scratch
- Ongoing monitoring · HQ reporting support

"Over 20+ years across 6 global companies."

Ex- GM · Dow Corning · GE · J&J · LG · SK

ISO 45001/14001 Registered Auditor (CQI IRCA · KAR · IQCS) | NEBOSH IGC | MBA (ESG Focus)
